NFL WEEK 1: **MORE** **UNPREDICTABLE** **THAN EVER?**

After a long and uncertain offseason, the NFL is finally back, and we're as thrilled as you are.

The first NFL weekend of the season is always full of surprises. This year should be wilder and more exciting than ever.

- Which rookies will make an instant impact?
- Which free agent signings pay off?
- Which coaches get their teams off to a hot start?

Without a preseason, it can be hard to know. But don't worry, we did some digging and came up with some interesting trends to consider when making your Week 1 wagers.

WEEK 1 TRENDS TO KNOW

- The Saints are 1-11 ATS in Weeks 1 and 2 in the last 6 seasons.
- The Super Bowl loser is 4-16 ATS in Week 1 of the next season in the last 20 years. Bill Belichick is 2-0 ATS in that scenario, and the rest of the league is 2-16 ATS.
- Unders have cashed in 6 of the last 8 season openers for the New England Patriots. Unders are 39-25 in New England's last four seasons.
- The Chicago Bears are 9-2-1 ATS in their last 12 home games vs. division opponents.

HOUSTON TEXANS **AT KANSAS CITY CHIEFS**

This is a rematch of last year's AFC Divisional Playoffs, during which the Chiefs overcame a 24-0 deficit by scoring 41 consecutive points to advance to the AFC Championship Game.

It also features young star quarterbacks Patrick Mahomes and Deshaun Watson.

- The Chiefs and Texans scored a combined 137 points in 2 games last season. Over tickets cashed both times.
- The Chiefs are 7-0 SU and 6-1 ATS in September games with Mahomes at quarterback. Overs are 6-1 in those 7 games.
- The Texans are 4-7 SU and 5-6 ATS in September games with Watson at quarterback. The Texans led by a combined 12 points at the end of regulation in the four September games they won.
- Overs are 6-2 in Kansas City's last 8 home games (avg. total score: 53.4 points).
- The Texans are 5-13 SU in their last 18 games as road underdogs.

DALLAS COWBOYS **AT LOS ANGELES RAMS**

Will former Green Bay Packers coach Mike McCarthy be the difference that propels the Cowboys from annual disappointment to genuine Super Bowl contender?

Will the dramatic offseason contract negotiations with QB Dak Prescott have any lingering impact?

Will the Rams prove the 2019 season was just a prolonged hangover after losing Super Bowl LIII?

We'll start to get answers in this game.

- The Cowboys are 6-11 SU in their last 17 road games.
- The Cowboys were on a 5-0 ATS and SU streak on the road against the NFC West, but that streak ended in 2018. The last time Dallas played on the road against an AFC West team was Jan. 12, 2019 at the Los Angeles Rams. They lost 30-22 and failed to cover the spread.

- The Rams are 4-1 ATS and SU in Week 1 games the last 5 seasons.
- The Rams are 1-6 ATS and SU in their last 7 regular-season home games against the NFC East.

PITTSBURGH STEELERS AT NEW YORK GIANTS

The 2019 season was not a great one for either franchise, as the Giants finally moved on from QB Eli Manning and the Steelers suffered through a season-ending injury to Ben Roethlisberger.

Pittsburgh also traded mercurial WR Antonio Brown earlier in 2019, but got a career-low 552 yards out of WR Juju Smith-Schuster.

The Giants are hoping to rally behind QB Daniel Jones and RB Saquon Barkley to avoid their fourth consecutive losing season for the first time since 1980.

- The Steelers are 1-7-1 ATS in their last 9 season openers.
- The Steelers are 17-5 SU in their last 22 night games.
- Unders went 6-0 in Steelers night games last season.
- The Steelers have covered a Week 1 road game just once since 2007.
- The Giants are 1-8 SU and 1-7-1 ATS in their last 8 season openers.
- The Giants are 10-2 ATS in their last 12 games as road underdogs.
- The Giants haven't beaten the Steelers ATS or SU in a regular-season game since 2008, which is also just the second season since 1990 that the Giants finished the regular season at least 12-4.

TENNESSEE TITANS AT DENVER BRONCOS

You know what's harder than playing at 5,280 feet above sea level in the first game of the season? Doing so after an offseason heavily impacted by COVID-19 and without any preseason games.

But the Titans surged at the end last season behind RB Derrick Henry, even upsetting the New England Patriots in the playoffs.

Denver's offense has been lethargic for years now. This will be our first look at the restocked WR group that includes Courtland Sutton (1,112 yards in '19), Jerry Jeudy (No. 15 overall pick) and K.J. Hamler (No. 46 overall pick).

- Titans road games went from averaging a league-low 35.5 points per game in 2018-19 to averaging 43.2 ppg in 2019-20, including games of 63, 59, 63, 56, 50, 49 and 48 points.
- The Broncos did not score more than 24 points in a game until Dec. 8 (Week 14) last season and scored more than 27 points just once all year.
- Unders are on a 27-12 run in Denver Broncos games dating back to 2017.
- Denver is 7-0 SU and 5-1-1 ATS in its last 7 home openers. Overs have cashed in 7 of Denver's last 8 openers.
- Tennessee is 4-1 ATS and SU in its last 5 Week 1 road games. Overs have also cashed in 4 of Tennessee's last 5 season openers.
